Dear [REDACTED]

Congratulations! I am delighted to offer you admission to the Class of 2027 at Duke University.

The community you are joining is defined by the qualities we saw in you and your future classmates: your excitement in learning, your sense of imagination and curiosity, your desire to make things better, and your integrity and kindness. You have earned your place in this class, you will contribute meaningfully to it, and you will leave Duke exceptionally well prepared to make a difference in the world.

I particularly want to invite you to join us at Blue Devil Days, our series of on-campus programs in April for admitted students. You can register through your [Duke Admissions portal](#). You'll see first hand the qualities that make Duke a unique environment and an exceptional education. If you are unable to attend we will be offering virtual opportunities to connect with the Duke community as well.

To secure your place in the Class of 2027, click this [Respond to Offer](#) link and follow the listed instructions. You must respond by 11:59 p.m. on May 1, 2023, in order to hold your place in the entering class; we do not require a deposit. If you must decline this offer, please [respond online](#) so our records will be accurate. If you are considering a gap year between high school and college, we will be happy to hold your place at Duke, and we may be able to offer you some financial support during your gap year as well. For more information visit dukegapyear.duke.edu.

Included in your admit packet are a copy of [Duke's Community Standard](#) as well as instructions and information regarding
