Dear 

Congratulations and welcome to the Class of 2027 at Northwestern University! On behalf of Northwestern's faculty, staff, students, and alumni, it gives us great pleasure to inform you that you have been admitted to the Judd A. and Marjorie Weinberg College of Arts and Sciences.

The admission committee evaluates tens of thousands of applications each year, and your considerable academic achievements, extracurricular accomplishments, and impressive character stood out as truly exceptional. You will be joining a vibrant community of engaged faculty and staff, students with diverse talents and backgrounds, and spirited alumni.

Northwestern will immerse you in an environment with limitless possibilities to learn, make a difference, and create your path for future success. We are confident that you will make a significant contribution to the life of the University, both in and out of the classroom.

The materials included in this packet outline steps toward enrolling in the Class of 2027. We also encourage you to visit our admitted student website, [admit.northwestern.edu](http://admit.northwestern.edu), where you will find ways to connect with the Northwestern community, engage with the remarkable opportunities available to you here, and experience what makes this place and its people so special. If you plan to accept your place in the incoming class, we need to know by May 1. Please note, our offer of admission is contingent upon the successful completion of your senior year and a review of your final transcript.

It is our good fortune that you chose to apply to Northwestern, and we look forward to welcoming you to campus next fall. The years you spend here will be among the most memorable of your life.
