Dear 

Congratulations! It is our great pleasure to offer you admission to UCLA for the Fall Quarter 2023. You have been admitted to the UCLA College of Letters and Science with Pre Mathematics, Applied as your academic major.

You were selected from the largest college applicant pool in the nation—nearly 146,000 students applied to UCLA. Your talents and academic accomplishments are exceptional, and we know that you will thrive here. With over 125 majors and 90+ minors, the academic breadth and research opportunities available to you as a student are second to none. You will also receive personal attention from instructors: nearly two out of three undergraduate classes have fewer than 30 students. Our campus community offers over 1,000 clubs and organizations which will give you opportunities to engage and explore with your fellow Bruins.

UCLA prepares you to step into your future through our unique combination of cutting-edge academic programs, a diverse and engaging residential experience, support for post-graduate and career exploration, and a college town located in Los Angeles, one of the most innovative and diverse cities in the world. Our world-class faculty, supportive staff, and incredible students create an undergraduate experience that we believe is second to none.
